

Mana Ake- Stronger for Tomorrow

July 4 2018

A couple of things.

1. Term 4 Phase of Implementation should have read

Term 4, October 2018:

- Ngā Mātāpuna o te Waihora
- Tipu Māia
- Christchurch City
- Ōtākaro
- Waimairi-iri
- Ngā Peka o Tauwharekākaho
- Te Mana Raupō

2. After meeting with Janeane Reid from Tamai and Gary Roberts from Hornby we have decided to set up a shared doc for those who request it. We will upload any documents we think might be useful to other clusters as a starting point. Please copy what you want, don't work on the template in the folder. If you would like access to the folder, it will be available shortly, email me.
